Columbia’s long-term plan for the old Manhattanville manufacturing area will revitalize the four former industrial blocks from 125th/129th to 133rd Street between Broadway and 12th Avenue, and three small blocks along the east side of Broadway from 131st to 134th Street, into an environmentally sustainable and publicly accessible center for academic and civic life woven into the fabric of the West Harlem community.

Construction Activities for the Weeks of:
June 26, 2017 and July 3, 2017

What is happening

Jerome L. Greene Science Center
- Entrance repair along W.130th Street

Lenfest Center for the Arts
