Camp Program:

Cubs Camp is a day camp open to all children ages 6 through 12 located on Columbia University’s historic Morningside Heights campus. The camp offers athletics, arts & crafts, and team-building games in a collegiate setting over 9 weekly sessions. Campers will have access to Columbia’s top-notch Division 1 Athletic facilities and a competent and caring staff comprised of coaches, student-athletes, and teachers. The goal of Cubs Camp is to provide a memorable sports summer camp experience while promoting teamwork, friendship, and self-confidence in a safe community. Campers are encouraged to work and play together and try new things.

Cubs Camp is offered either at Dodge Fitness Center or Baker Athletics Complex to allow campers to experience all of Columbia’s athletic facilities. Specific weeks correspond to each location.

Swimming

Supervised swim is offered Tuesday-Friday while at Dodge Fitness Center. Campers will be able to swim in a 25-yard pool for 45-60 minutes. Group instruction will occur for the first portion of swim time, and is aimed to teach new skills, improve existing techniques, and increase swimming confidence. Campers will also enjoy recreational swim immediately following the lessons. The Aquatics Director and staff emphasize pool rules, including a "buddy system" based on swimmer ability to ensure we maintain a fun, safe pool environment.

Necessary forms must be submitted in order for individual children to swim. Swimming is not mandatory, but is encouraged; those who do not wish to swim will have other activities available to them.

Private swim lessons are available upon request; please contact 212-854-4439 for more information. (30-minute session; $40 for private lesson, $60 for groups of 2-4 kids).

Tennis

During session 6 and 7, we will offer tennis instruction while Cubs Camp is held at Baker Athletics Complex. Led by a trained tennis pro and supported by our staff, campers will learn the fundamentals of tennis. This includes forehand, backhand, and volleying, to footwork, tennis terminology, and more. Campers are welcome to bring their own equipment, but racquets are provided.

Additional Staff

Staff includes teachers, graduate, undergraduate students, and Varsity student-athletes. Our staff has extensive experience working with children of all ages, both in the camp setting and in the classroom. Cubs Camp maintains a maximum leader to camper ratio of 1:10 to provide all children with a positive camp experience and the professional attention they deserve. In addition, a certified athletic trainer and aquatic director will be on-site.

Camp Director
Anne Marie Skylis
Anne Marie Skylis- Anne Marie Skylis is in her second year as the Director of Sports and Cubs Camp and is excited to spend a fourth summer at Cubs Camp. Prior to her involvement at Cubs Camp, she taught middle school science in Providence, Rhode Island, where she also received her teaching certificate in secondary science. While in Providence, she also coached middle school softball players and ran science enrichment courses after school. She earned her B.A. from Columbia University, and during her time there she was extremely involved in the Athletics Department as an athlete and employee.

I understand that this Authorization is only valid until the earlier of: (1) June 26, 2015 (This prescription may be extended through August if the student is attending a New York City Department of Education (the "Department") sponsored summer instruction program); or (2) such time that I deliver to the principal or his/her designee(s) and nurse a new prescription or instructions issued by my child's physician regarding the administration of the above-prescribed medication. By submitting this MAF, I am requesting that my child be provided with specific health services by the Department and the New York City Department of Health and Mental Hygiene ("DOHMH") through the Office of School Health ("OSH"). I understand that part of these services may entail an assessment by an OSH physician as to how my child is responding to the prescribed medication. Full and complete instructions regarding the provision of the above-requested health service(s) are included in this MAF. I understand that the Department, DOHMH and their agents, and employees involved in the provision of the above-requested health service(s) are relying on the accuracy of the information provided in this form. It is my intention that my child will be provided with health service(s) according to the information and instructions that are provided in this MAF. I further understand that the Department, DOHMH and their agents are not responsible for any adverse reaction to this medication. I recognize that this form is not an agreement by the Department or DOHMH to provide the services requested, but, rather, my request, consent and authorization for such services. If it is determined that these services are necessary, a Student Accommodation Plan may also be necessary and will be completed by the school.

I hereby authorize the Department, DOHMH and their employees and agents, to contact, consult with and obtain any further information they may deem appropriate relating to my child's medical condition, medication and/or treatment, from any health care provider and/or pharmacist that has provided medical or health services to my child. SELF-ADMINISTRATION OF MEDICATION: Initial this paragraph for use of an epinephrine, asthma inhaler and other approved self-administered medications:

______ I hereby certify that my child has been fully instructed and is capable of self-administration of the prescribed medication. I further authorize my child's carrying, storage and self-administration of the above-prescribed medication in school. I acknowledge that I am responsible for providing my child with such medication in containers labeled as described above, for any and all monitoring of my child's use of such medication, as well as for any and all consequences of my child's use of such medication in school. I further hereby authorize the Department, DOHMH, their agents and employees; including the principal, his/her designee(s), school nurse and my child's teacher(s), to administer such medication in accordance with the instructions of my child's physician should my child be temporarily incapable of self-administering such medication. I understand that the school nurse will confirm my child's ability to self-carry and self-administer in a responsible manner with the school. In addition, I agree to provide “back up” medication in a clearly labeled bottle to be kept in the medical room in the event my child does not have sufficient medication to self-administer.

______ I also authorize the principal, his/her designee(s) and school nurse to store and/or administer to my child such medication in the event that my child is temporarily incapable of self-storage and self-administration of such medication.

______ I hereby certify that I have consulted with my child's health care provider and that I authorize the Office of School Health to administer stock Ventolin in the event that my child's asthma prescription medication is unavailable.

You must send your child’s Personal Metered Dose Inhaler (MDI) with your child on a school trip day in order that he/she has it available. The stock Ventolin is only for use while your child is in the school building.
Hello everyone,

If your child is able to swim and would like to do so, please sign the waiver below and return it by the first day of camp. Please send a swimsuit and towel with your child to camp as well, if he or she would like to swim. To swim at the pool, campers must pass the swim test that is approved by the New York City Department of Health, which is to swim one length of the pool (25 yards). For those children who are unable to swim or do not wish to do so, we will offer other activities during that time.

Please do not hesitate to contact us if you have any questions.

Thanks,
The Cubs Camp Staff

We / I certify that my child, _____________, is able to swim and may do so under the supervision of the Columbia University Cubs Camp. We / I hereby agree to release, indemnify and hold harmless Columbia University, its agents, trustees, employees, representatives or assigns, including the Department of Intercollegiate Athletics and Physical Education, the coaching and training staff and camp employees, from all claims resulting from any injury sustained by my child while traveling and participating in camp. We / I further hereby give permission to the camp staff, training staff or other medical professionals to provide medical care as deemed necessary to my child in case of injury or illness.

CUBS CAMP CODE OF CONDUCT

Camp Philosophy and Behavioral Expectations

Every camper has the right to a happy and safe experience at Cubs Camp. All Cubs Camp sessions focus on developing the sports skills of every camper and addressing the collective needs of the group. Our goal is to help each camper develop new skills and a greater appreciation of his/her capabilities. We hope to provide a community setting in which children will have the ability and confidence to explore new activities and meet new friends. Every experience is a learning experience and it is the responsibility of the counselors to provide a well-rounded program for all children. We aspire to create a safe and stimulating environment for all campers- an environment where sensitivity, respect for others, and cooperation are valued.

Code of Conduct

The code is intended to be a guide for general behavior for the Cubs Camp community and includes the following expectations:

1. Each person is respected and valued.
2. Each person has a responsibility to help make camp a better place.
3. Each person is expected to choose appropriate behaviors and language and encourage others to do so.
4. Each person is expected to think about the results of one’s actions and how they impact others.
5. Each person is expected to solve disagreements by talking, listening and compromising

Consequences for Inappropriate Behavior

If a counselor is unable to resolve a conflict through discussions, redirections, and reviewed expectations, staff will proceed with the following steps:

1. The Counselor gives an official warning, which includes a clear explanation of the concern and suggestions for alternative behaviors that should be used in the future. Age appropriate activity adjustments and/or time-outs may be used.
2. The Counselor gives a second warning. The Camp Director talks with the camper about expectations and communicates with parent(s) explaining the concern.
3. A conference with the camper, parent(s), Camp Director will be arranged to discuss a plan of action for resolution of the concern. This could include suspension from camp for a period of time. No refunds will be made for any time a camper is suspended due to inappropriate behavior.

If the situation is judged by the administration to be very serious, the above steps may be waived and a parent/guardian may be asked to pick up the child from camp and the camper may be asked not to return to camp for a designated period of time.

- Please read and discuss this code of conduct form with your child. Sign this form and return it to camp in order to complete your registration.
