**Healthcare Practitioner**

CDC and AAP strongly recommend annual influenza vaccination for all children diagnosed with asthma.
**By signing below, I agree to the following:**

1. I consent to my child’s medicine being stored and given at school based on directions from my child’s health care practitioner. I also consent to any equipment needed for my child’s medicine being stored and used at school.

2. I understand that:
   - I must give the school nurse my child’s medicine and equipment, including non-Ventolin inhalers.
   - **All prescription and “over-the-counter” medicine I give the school must be new, unopened, and in the original bottle or box.** I will get another medicine for my child to use when he or she is not in school or is on a school trip.
     - Prescription medicine must have the original pharmacy label on the box or bottle. Label must include: 1) my child’s name, 2) pharmacy name and phone number, 3) my child’s doctor’s name, 4) date, 5) number of refills, 6) name of medicine, 7) dosage, 8) when to take the medicine, 9) how to take the medicine and 10) any other directions.
   - I must **immediately** tell the school nurse about any change in my child’s medicine or the doctor’s instructions.
   - OSH and its agents involved in providing the above health service(s) to my child are relying on the accuracy of the information in this form.
   - By signing this medication administration form (MAF), the Office of School Health (OSH) may provide health services to my child. These services may include a clinical assessment or a physical exam by an OSH health care practitioner or nurse.
   - The medication order in this MAF expires at the end of my child’s school year, which may include the summer session, or when I give the school nurse a new MAF (whichever is earlier).
   - When this medication order expires, I will give my child’s school nurse a new MAF written by my child’s health care practitioner. If this is not done, an OSH health care practitioner may examine my child unless I provide a letter to my school nurse stating that I do not want my child to be examined by an OSH health care practitioner. The OSH health care practitioner may assess my child’s asthma symptoms and response to prescribed asthma medicine. The OSH health care practitioner may decide if the medication orders will remain the same or need to be changed. The OSH health care practitioner will fill out a new MAF so my child can continue to receive health services through OSH. OSH will not need my signature to write future asthma MAFs. If the OSH health care practitioner completes a new MAF for my child, the OSH health care practitioner will attempt to inform me and my child’s health care practitioner.
   - This form represents my consent and request for the asthma services described on this form. It is not an agreement by OSH to provide the requested services. If OSH decides to provide these services, my child may also need a Student Accommodation Plan. This plan will be completed by the school.
   - OSH may obtain any other information they think is needed about my child's medical condition, medication or treatment. OSH may obtain this information from any health care practitioner, nurse, or pharmacist who has given my child health services.
   - If the school nurse is unavailable, I may be notified to come to school to give my child medicine.

**FOR SELF ADMINISTRATION OF MEDICINE:**

Hello everyone,

If your child is able to swim and would like to do so, please sign the waiver below and return it by the first day of camp. Please send a swimsuit and towel with your child to camp as well, if he or she would like to swim. To swim at the pool, campers must pass the swim test that is approved by the New York City Department of Health, which is to swim one length of the pool (25 yards). For those children who are unable to swim or do not wish to do so, we will offer other activities during that time.

Please do not hesitate to contact us if you have any questions.

Thank you,

The Little Lions Camp Staff

We / I certify that my child, _____________, is able to swim and may do so under the supervision of the Columbia University Little Lions Camp. We / I hereby agree to release, indemnify and hold harmless Columbia University, its agents, trustees, employees, representatives or assigns, including the Department of Intercollegiate Athletics and Physical Education, the coaching and training staff and camp employees, from all claims resulting from any injury sustained by my child while traveling and participating in camp. We / I further hereby give permission to the camp staff, training staff or other medical professionals to provide medical care as deemed necessary to my child in case of injury or illness.

LITTLE LIONS CAMP CODE OF CONDUCT

Camp Philosophy and Behavioral Expectations

Respect Yourself, Respect Each Other, Respect the Space

Every camper has the right to a happy and safe experience at camp. Our goal is to help each camper develop new skills and a greater appreciation of his/her capabilities. We hope to provide a community setting in which children will have the ability and confidence to explore new activities and meet new friends. Every experience is a learning experience and it is the responsibility of the counselors to provide a well-rounded program for all children. We aspire to create a safe and stimulating environment for all campers— an environment where sensitivity, respect for others, and cooperation are valued.

Code of Conduct

The code is intended to be a guide for general behavior for the Little Lions Camp community and includes the following expectations:

1. Each person is respected and valued.
2. Each person has a responsibility to help make camp a better place.
3. Each person is expected to choose appropriate behaviors and language and encourage others to do so.
4. Each person is expected to think about the results of one's actions and how they impact others.
5. Each person is expected to solve disagreements by talking, listening and compromising

Consequences for Inappropriate Behavior

If a counselor is unable to resolve a conflict through discussions, redirections, and reviewed expectations, staff will proceed with the following steps:

1. The Counselor gives an official warning, which includes a clear explanation of the concern and suggestions for alternative behaviors that should be used in the future. Age appropriate activity adjustments and/or time-outs may be used.
2. The Counselor gives a second warning. The Camp Director talks with the camper about expectations and communicates with parent(s) explaining the concern.
3. A conference with the camper, parent(s), Camp Director will be arranged to discuss a plan of action for resolution of the concern. This could include suspension from camp for a period of time. No refunds will be made for any time a camper is suspended due to inappropriate behavior.

If the situation is judged by the administration to be very serious, the above steps may be waived and a parent/guardian may be asked to pick up the child from camp and the camper may be asked not to return to camp for a designated period of time.

- Please read and discuss this code of conduct form with your child. Sign this form and return it to camp in order to complete your registration.
