West 130th Street Work (between Broadway and 12th Avenue)
- Installation of new structure in a portion of the area below grade that will allow for future development. Additionally, this structure will support the new street construction that consists of new road pavement, sidewalks, curbs, utilities and street lighting.
- Installation of new sidewalks, steel faced curbs, concrete road base, asphalt pavements, and light poles along W130th St
- Installation of new electrical duct bank and manholes on W131st Street
- Gas main work on W130th Street and Broadway
- Install new sidewalk and curb along the west side of Broadway, between W130th and W131st Streets

(Over)
What to expect

Construction activity

- Regular weekday work hours: 7:00 a.m. to 6:00 p.m. Saturday and Sunday work hours: 8:00 a.m. to 5:00 p.m.
- Material deliveries to site is ongoing

Temporary Traffic and Transportation Impacts

- No standing on West 129th Street between Broadway and West 125th Street
- West 130th Street between Broadway and 12th Avenue is anticipated to remain closed until the summer of 2015
- The bus stop on W125th Street (between W129th Street and Broadway) and the bus stop on Broadway (between W129th and W125th streets) will be temporarily out of service
- The north sidewalk of West 131st Street will be closed from Broadway to a point approximately 300 feet west of Broadway. There will be a temporary walkway adjacent to the closed sidewalk. There will be no parking in this zone and traffic will be restricted to one eastbound traffic lane.
- There is a no parking zone in effect on the west side of Broadway from 129th to 131st streets

-Please note that all activities are subject to change based on weather and other field conditions-
